RIBBON CUTTING – PARK TO PARK TRAIL, SEGMENT 2

ISLE OF WIGHT COUNTY – The Isle of Wight County Board of Supervisors, in collaboration with the Virginia Department of Transportation, will hold a Ribbon Cutting Ceremony to celebrate the completion and public opening of Segment 2 of the Park to Park Trail on June 21 at 10:00 a.m. at the Senior Building at Nike Park, 13036 Nike Park Road, Carrollton, Virginia.

The Park to Park Trail, spanning a total of more than 3 miles along Battery Park Road (Segment 1) and Nike Park Road (Segment 2), will provide economic and recreational access to local businesses, restaurants, and park facilities for non-motorized users in the Smithfield, Windsor, and Newport election districts. When complete, the Trail's ultimate goal is to connect Nike Park in Carrollton with Windsor Castle Park in Smithfield. Excel Paving Corporation was awarded the construction contracts for both Segment 1 and Segment 2 of the Trail, totaling $6 million. The project is funded, in part, by over $5 million in State and Federal transportation grant funds.

More information on the project can be found at http://www.iwus.net/transportation/nike-park-park-to-park-trail/
