Project description and comments (**be as specific as possible**): Isle of Wight County is proposing to construct improvements along the Benns Church northbound left turn lane at Turner Drive. Proposed improvements will consist of extending the existing northbound left turn lane at the Benns Church and Turner Drive intersection by approximately 225 linear feet (LF) to achieve 250 LF of vehicle storage and 150 LF of taper. Roadway improvements consist of roadway widening for new edge of pavement, proposed paved shoulders, and grading. The project is a federally funded project locally administered by Isle of Wight County.
